

Dear Parents,

Ambition is the path to success. Persistence is the vehicle you arrive in

I am filled with immense gratitude as a look back at the year in retrospect-gratitude for your cooperation and your constant unstinting support, the strong camaraderie that we developed has made this journey fruitful and worth rejoicing. As team-mates we can feel satisfied that we have been able to provide the best possible infrastructure facilities, experiential learning processes and an impact that enhanced not only the hearts, minds but also the lives we have touched together. I also take the opportunity to thank our teachers for their unflinching and unwavering support and hard work. Our students have been constantly trying to shine and become a better version of them every day and for that I am grateful.

Our children are citizens of a global era so we need to provide them not only with the knowledge but also throw in their direction the challenges that can sharpen their intellect and groom them to become better with each passing day. God willingly we have started on this journey and hope to walk together on this sojourn.

As we approach the end of the academic session and I wish you and your family a merry Xmas and a Happy New Year.

Let us have music for Christmas.....

Sound the trumpet of joy and rebirth.

Let each of us try,

With a song in our heart,

To bring peace

To man on earth.

God bless each one of us and may we be blessed with peace, joy and opportunities to be grateful always.

Sr. A. Nirmala,

Principal.
